

## Village Flowers in Somerset

The Flower Cabin was born in November 2013 out of a love of floristry and the dream of breaking tradition, being inspired by more contemporary designs and influences. Nestled within the hustle and bustle of an award winning farm shop and cafe at Farrington's Farm Shop.

Our mission is to inject some fun into our floristry. We aim to do this by incorporating an inspired mix of unusual and exotic cut flowers, alongside more traditional varieties. We are here to cater for every calendar occasion, including Christmas, Valentines day, mother's day, weddings, anniversaries, birthdays, corporate functions and events as well as

Our flowers are grown all over the world and are of the very best quality and arrive straight from the Dutch flower auctions every day!

We can create anything to suit your budget and deliver to BS39, BA3, BA1, BA2, BA4 and BA5 only. To send flowers outside these postcode areas please TEL 01761 451298 to arrange over the telephone.
