

Spring into Keepers Preloved!

Spring brings a time of renewal and change. Keepers Preloved has a selection of Preloved furniture for you to buy as seen.

Or choose from 150+ colours in the Autentico Chalk Paint range for me to paint for you!

Keepers Preloved is an authorised stockist of Autentico, the best chalk paint available for furniture, walls and even floors! No need for priming, just a light sand, 2 coats and finish with Autentico wax to protect.

Why not re-love that piece of furniture you already have?

Autentico Versante (outdoor) paint is another amazing addition to the wonderful world of Autentico. It transforms tired garden furniture, summerhouse, table and chairs.

Easy to apply, barely any preparation required. The paint goes a long way and even has a inbuilt sealer to protect and a UV protector – totally amazing! It can even be used on your UPVC front door!

We can even paint it for you. Just ask!

Fancy doing it yourself? Why not book or learn new skills in one of our popular practical workshops?

Gain confidence or learn new skills.

We run the only fancy shaped lampshades workshop in the area.
