FARRINGTON'S *Ultimate* **ROAST POTATOES**

Our homegrown Wilja potatoes are the perfect variety to use for your Christmas dinner roast potatoes. The fantastic flavour is down to the rich soil they are grown in here on Farrington's Farm.

Par-boil peeled Wilja potatoes in salted water for 20 minutes. Drain and return to the pan, allow to steam dry before shaking the pan to roughen the potato edges. Add fat or vegetable oil to a tray, heat in the oven before adding the potatoes. Cook for 45-60 minutes, turning regularly until they are golden and crispy.
